

# Approved Capstone Courses

The Biology AB capstone requirement may be satisfied through the following options: Completion of a senior Honors thesis, an independent study (such as BIOL 1950/60) course, or via an approved capstone course. These courses have been pre-approved, with appropriate paper/project assignments, to count as your capstone course:

BIOL 0946, 1100, 1140, 1150, 1250, 1330, 1515, 1525, 1555, 1565, 1575, 1580, 1600, 1820, 1970.  
Courses over the 2000 level may be used with the approval of Dean Achilli.

***\*Some courses might be inactive during the current academic year. Please refer to Courses @Brown and BUE Course Offerings for further references.***
